Re: Docket No. 98N-1038  
Irradiation in the Production, Processing and Handling of Food

Dear Mr. Hubbard:

As a citizen concerned about the food I eat, I strongly believe that I have a right-to-know if my food has been irradiated. Irradiated food should be clearly labeled with a statement that it was treated with radiation and it should have the international symbol for irradiated food placed in a prominent place on the label. Also, you should require labelling of

GENETICALLY ALTERED "FOOD". It is not real food, but a creation of Sincerely, a chemical lab, like LSD. Would the FDA allow LSD to be sold to our children? Without even a
